

Garswood Primary School
Hamilton Road, Garswood,
St. Helens WN4 0SF

20th March 2020

Dear Parents/Carers,

We have been informed that a member of our staff lives with someone who has a confirmed case of coronavirus.

We have consulted with the DfE Coronavirus helpline and the Local Authority and the staff member is self-isolating at home where they have been since Tuesday when the relation became ill.

The school will remain open and we will ensure the additional cleaning measures continue.

We will of course, keep you informed immediately of any changes to advice and procedure.

We continue to send home anyone presenting with any symptoms. As parents and carers please follow the guidance on

www.nhs.uk/conditions/coronavirus-covid-19/

and

www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection

Thank you for the support shown to the school at what we recognise is a very difficult time for everyone.

Please note, we are closed from Monday apart from childcare for those children who fit into a category identified by the Government. We will confirm by email later this evening, those who have contacted us to ask for childcare if we are expecting their child on Monday and to confirm that we can offer them a place.

Yours faithfully,

Pamela Potter
