LISTENING TO parents AND CARERS

SURVEY SUMMARY

OCTOBER 2015

108 parents & carers replied...

Exceptional results – the survey firm confirmed Garswood as one of the very highest scoring schools this year

Of the 25 statements, ALL were scored well above the national average for a primary school.

Thanks so much to all the Parents and Carers who completed our recent survey. You've given us some great feedback and you have confirmed that the school is delivering a great education for the children. In fact, in every question, you rated Garswood very much higher than most other schools. The company who ran the survey for us commented that this was one of the highest-scoring surveys they have seen all year (and they survey more than 100,000 parents every year)!

We aren't being complacent, however. Anyone who raised an issue or made a comment can rest assured that it has been read, and that we'll try to

sort out as much as we possibly can, as soon as we possibly can. The whole purpose of these surveys is to be sure that Garswood is a 'listening school' – that we hear the feedback our parents give us, and that wherever we can, we act upon it.

I have summarised the scores on the next page, but just wanted to say a very big 'Thank You' to all parents and carers for your time and your support. It really does mean a lot.
